03 Competition Timeline

Phase-by-phase breakdown of the Frontend Wars 2026 journey

PHASE 1

Qualifier Round

DATE

 **Sat, 25 July 2026**

TIME (IST)

 **10:00 AM – 2:00 PM**

DURATION

 **4 Hours**

- › Participants receive the official problem statement at the start of the window.
- › Submission starts immediately once the problem statement is released.
- › Teams are expected to work independently — no external collaboration between teams.
- › Submission closes at **2:00 PM sharp**. Plan your time accordingly.
- › Late submissions will **not** be accepted unless officially announced otherwise.

Reminder: Keep your submission link/files ready well before 2:00 PM. Network or upload delays are not valid reasons for late submission.

What to prepare in advance: A stable internet connection, your development environment, and full team availability for the entire 4-hour window. Check the WhatsApp Community the night before for last-minute instructions.

IN PROGRESS AFTER ROUND 1

Evaluation Phase

After Qualifier Round submissions close, our judging panel will carefully evaluate every project submitted. Evaluation may require additional time to ensure a fair, consistent, and quality-driven review process for all teams.

Evaluation timelines may shift depending on the volume and complexity of submissions received. Thank you for your patience.

TENTATIVE DATE • 27 JULY 2026

Shortlisted Teams Announcement

- › Only shortlisted teams will advance to the Final Round.
- › Results will be announced officially via the WhatsApp Community and Email.

Important

The announcement date may be extended if additional evaluation time is required to ensure a fair result.

FOR SHORTLISTED TEAMS ONLY

Mentor Session

Before the Final Round, shortlisted participants will be invited to an exclusive mentor session conducted by our judges. This session is designed to help teams walk into the finale fully prepared.

- › Competition expectations for the Final Round
- › Judging criteria and scoring parameters
- › Best practices for building & presenting your solution
- › Project guidance from experienced judges
- › Live Q&A session with the panel

The exact schedule for the mentor session will be shared later with shortlisted teams.

GRAND FINALE

Final Round

DATE

Sat, 1 August 2026
